

Ladies!

Swishing Event for all

What is swishing?

It's an opportunity to pass on to others items you no longer want to wear or use! In exchange for items you like to wear or use!

We are running such an event 13th September in the large hall at St Thomas Church, Prince George Ave between 2pm and 4pm. With refreshments

All you have to do is bring along a maximum of 8 items and at a set time there will be an opportunity to have a look at what others have brought and then you can take home anything you like up to the number of items you brought.

There will be a mirror and a room where you can try things on too.

Because we love Jesus and long to see others come to know who he is and why he came to earth we will also have a short talk from the bible which will be given by a trusted friend Hannah Palmer.

Please bring your friends, family too.... See you there.

For any further questions please contact the church office Tel 82459152.
